| <input type="checkbox"/> 5. Check condensate pump and drain line | <input type="checkbox"/> 10. Lubricate moving parts and clean indoor fan |

Certification and Agreement

I understand that this offer provides a \$50 incentive for the inspection and tune-up of central air conditioners no larger than 5 tons at residences currently receiving electricity on a retail basis from Lodi Utilities. Qualifying inspections and tune-ups must include all items listed in the 10-point checklist above and must be performed by a professional heating and cooling service technician.

I agree that Lodi Utilities reserves the right to verify sales receipts before issuing incentives. Qualifying inspections and tune-ups must be purchased between March 1, 2009 and October 1, 2009.

I agree that Lodi Utilities does not guarantee that the central air conditioner inspection and tune-up or the implementation of any energy efficiency described in this application will result in energy cost savings. Lodi Utilities makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed including, but not limited to, any warranty of merchantability or fitness for purpose. In no event shall Lodi Utilities be liable for any incidental or consequential damages.

I understand that this program has a limited budget, and that applications will be accepted on a first-come, first-served basis, until allocated funds are spent. This program may be modified or discontinued at any time without notice.

I certify that all statements made in this application are correct to the best of my knowledge. I agree to the terms and conditions of this offer as set forth on this application.

Central Air Tune-up Discount Program

A spring inspection and tune-up of your central air conditioner unit can improve its efficiency and increase its life span. Without regular cleaning and maintenance, an air conditioner can lose up to 5% of its original efficiency for each year of operation.

Lodi Utilities offers cash incentives to encourage regular inspection and maintenance of central air conditioners. If you are a homeowner or business owner with a central air conditioner, you may be eligible for up to \$50 toward a professional service inspection and tune-up.

How to Apply:

1. To qualify for an incentive, the applicant must meet all of the eligibility conditions and complete the incentive application on the reverse side.
2. To guarantee there will be incentive money available for your tune-up, call us at 592-3246.
3. Attach the original sales receipt or paid invoice from a professional heating and cooling inspection and tune-up service. The receipt or inspection documentation must indicate the date of service, dealer name and address, an itemized list of service checkpoints, and any repair recommendations.
4. Drop off your completed application at our office or mail it to:

Lodi Utilities
130 S. Main Street
Lodi, WI 53555-1255

Eligibility:

- The Central Air Tune-up Discount Program is available to residential and business customers with a valid Lodi Utilities electric account.
- Only central air conditioning units of 5 tons or less that have not had a tune-up within the last three years are eligible.
- To receive a \$50 cash incentive, a tune-up of the central air conditioner must be performed by a professional service technician and include the following 10-point inspection:
 - ☐ Check condensing unit and clean as needed
 - ☐ Check indoor fan and clean as needed
 - ☐ Check coolant level
 - ☐ Check system operating pressures and temperatures against manufacturers specification
 - ☐ Check condensate pump and drain line
 - ☐ Inspect air filter and replace if necessary
 - ☐ Check compressor contacts
 - ☐ Check belts and drives
 - ☐ Clean and adjust controls
 - ☐ Lubricate moving parts and clean indoor fan
- In no case will Lodi Utilities pay more than 100% of the actual purchase price of the central air conditioner inspection and tune-up.

Note: The \$50 credit will be applied to your utility bill.

The Central Air Tune-up Discount Program is funded by the Commitment to Community charge. Applications will be accepted on a first-come, first-served basis, until allocated funds are spent.

Deadline: October 1, 2009
